Thanks I will contact him later today when they get in to see what we can add. He will want as little change as possible because his Chair has already reviewed this and approved. Will keep you posted.

Thanks – so just to be clear E(4) is a requirement of the Hawaii law and is not an additional requirement that the agency is requiring? And if so, can that be clearly stated?

Thanks Lilian – is the section on the DOA Commitments regarding the 2018 Legislative Initiatives just stating that DOA will follow the laws of Hawaii?

Importance: High

Hi Joe,

Here is where we have ended up on this agreement per our call with HI DOA this afternoon. I have sent this to them just now for their final review. Once they give a final thumbs up, they are expecting me to put this in final, sign it and send it to them by this coming Wednesday. It is anticipated the Chairperson will sign the agreement next Thursday 5/23 and send it back to us. At that time, I would append the Agreement to a boiler plate resolution letter and issue it to the Complainant and Recipient as the formal resolution of this case.

Ex. 5 AC/DP

Please let me know if you have any questions. Thanks!

Lilian
